

Dear Parent/carer,

Year 9 Parents' Evening - Thursday 15 January 2026, 3:45pm-6:15pm

We would like to invite you to attend our Year 9 Parents' Evening on Thursday 15 January. As with all our parents' evenings, we would like to meet with yourself and your child at the appointment, and your child should attend in full school uniform.

This is an opportunity for you and your child to discuss their progress with subject teachers before making choices for final examination subjects. Further information about the process of choosing final subjects will be available over the Spring Term but, the parents evening is a good opportunity to gather information to help you and your child make the best possible choices.

The Parents' Evening will take place in our Sports Hall which is located on the left of the school as you enter from the main entrance. Upon arrival you will receive a copy of their most recent tracker which shows current grades for all subjects and other key information.

As well as meeting with subject teachers there will also be an opportunity for you and your child to meet with external agencies including college and further education representatives. Members of the Senior Leadership Team will also be present if you have any issues that you wish to discuss.

Appointments

Your child will be provided with a bookings sheet so that they can arrange the time of their meeting with their subject teachers and tutors. Each appointment will be approximately 5 minutes long. Please check that the timings that your child has booked are sensible for you.

Parking will be available by the Sports Hall on the senior yard (turn left as you come through the gate). Our student guides will be at the gates on Dent Street to direct you to the car parking.

Please complete the Microsoft Form to indicate whether you can attend or/and if you require any assistance or further information.
