

1<sup>st</sup> March 2026

Dear Parent/Carer,

Welcome to Colne Primet Academy. We look forward to working with you over the coming months to ensure your child has a great start this September and continues from there to five wonderful years with us. We have continued to see a significant increase in applications again this year and we are really pleased with this vote of confidence from our community.

**To confirm you child's place for September, please complete the online data collection form to ensure we have all the information needed for your child:**

[Year 6 Transition Information Form - New Year 7 starting September 2026](#)

If you would prefer a paper copy of the form, please email [transition@colneprimet.co.uk](mailto:transition@colneprimet.co.uk) with your child's name, and your name and address. We will post a copy out to you for you to fill in and return to the school address.

We will be in touch at regular intervals between now and September with all of the information you need about the transition from primary school to Colne Primet Academy, and we will do all we can to ensure your child's transition to secondary school is as smooth as possible.

We are very proud of our community and what we achieve here at Colne Primet Academy, and we're glad that your child will be part of it through their secondary education. At the heart of everything we do are our Academy Values, also referred to as our Primet Positives, which represent the characteristics we develop in our students to help them be successful now and in the future. We are 'Proud to be PRIMET', which incorporates our values to represent how we are 'Proud to be Progressing, Respectful, Inclusive, Motivated, Expressive and Together'.

The Academy is part of Pendle Education Trust which is sponsored by Nelson and Colne College, an Outstanding College which has exceptionally high expectations for students. With their support, we have worked hard to ensure that our students can expect the highest level of teaching to get a good start in planning for their future careers.

I recommend looking at our Academy website. This contains details of our uniform supplier, important resources for parents/carers and details of how you can be involved in supporting your child through their secondary school education.

In the meantime, you can keep up-to-date with what is happening at the Academy by following us on Facebook ([www.facebook.com/ColnePrimetAcademy](https://www.facebook.com/ColnePrimetAcademy)) and on Instagram
