

WELCOME TO COLNE PRIMET ACADEMY

We are extremely excited at Colne Primet Academy to be welcoming you to join our school community in September.

We are very proud of our community and what we achieve here at Colne Primet Academy, and we're glad that you will be part of it through your secondary education. At the heart of everything we do are our Academy Values, also referred to as our Primet Positives, which represent the characteristics we develop in our students to help them be successful now and in the future. We are 'Proud to be PRIMET', which incorporates our values to represent how we are 'Proud to be Progressing, Respectful, Inclusive, Motivated, Expressive and Together'.

As you move from primary school to secondary school, remember that this new journey is all about progressing with confidence. You bring with you the skills of being respectful, the mindset to stay inclusive, and the drive to remain motivated in everything you do. Continue to be expressive, sharing your ideas and creativity openly. Most importantly, know that we are all in this together, supporting one another as you begin this exciting new chapter.

Over the coming weeks you can find out more about our school on our website [Colne Primet Academy – Y6 Transition](#) and we look forward to meeting you on Thursday 2nd July for transition day.
