

Dear Parent / Carer

As part of your child's careers education, all students in Year 8 will be benefiting from attending a vocational courses Taster Day on Tuesday 30th June.

Students will have an opportunity to experience a range of courses and also practice some real job skills needed in those careers. They will be able to decide what they want to experience from areas such as plumbing, carpentry, electrical engineering, barbering and hairdressing, motor vehicle mechanics or painting and decorating. The visit will give students a chance to find out more about vocational learning opportunities and experience something of what the world of work is like.

The trip will be fully supervised by Primet staff and students will travel by coach. Students will depart from school at approximately 9am and will leave Accrington & Rossendale College to return to school in time for lunch. Students will be in full school uniform and expectations around behaviour and respect remain the same.

If you require more information about the Taster Day, please contact the school to speak to the Careers Team.

If your child has any changes in medical information or your contact details require updating, please contact the General Office on 01282 863970.

Please can you confirm your consent for your child to attend by filling out the reply slip below. Students need to return the reply slip to the Careers office no later than Friday 22nd May.

Your sincerely,
Mrs D Bielby
Head of Careers
