

ROLE OF THE PREFECTS

As your Prefect Team, we are really looking forward to welcoming our new Year 7 students this September. We know that starting a new school can feel both exciting and a little nerve-wracking, but please remember you're not on your own. We were all once in your place, and we understand what those first days can be like.

Our role is to help make your transition into secondary school as smooth, positive, and welcoming as possible. Whether you need help finding your classrooms, settling into routines, making new friends, or just someone to talk to, we're always happy to support you. We can't wait to meet you, get to know you, and help you feel confident and at home as you begin this exciting new chapter of your school journey.

We are #ProudtobePrimet and know that you will be too!

"As a prefect team we will help the year 7's by making them feel welcome and a part of our Primet community. We will also guide them to lessons as they don't know the way around yet. We will make sure to check on them showing a friendly face when on duty.."
