

READING LEADERS

At our school, we want every student to feel confident and excited about reading! It's such an important life skill, and you'll be encouraged to develop great reading habits from the moment you arrive.

If you need a little extra support, you might join our Reading Leaders sessions, where amazing Year 10 students read with you twice a week. They're friendly, fun, and brilliant at helping you understand stories.

Lots of Year 7s say it becomes one of their favourite parts of the week!

I wanted to be a reading leader because I wanted to help work with year 7 students to improve their reading. I also wanted to be a good role model for younger students. I have seen how it has helped the year 7 students by improving their confidence while reading, developing their vocabulary and allowing them to understand what they are reading. It has also allowed them to build responsibility because they have to remember to come to the Oracle for their session. I have really enjoyed being a reading leader this year and seeing the student I am working with develop.

Ceyda (Year 10)
