|        | Days vary for each class, but a regular day will be set by the class teacher in each subject.                                                                                                |                                                                                                                                                                                        |

In addition to independent learning activities, students in all year groups should be encouraged to engage in reading activities on a daily basis.
